ABOUT THE PROPERTY

Profitable Robotic Dairy Farm For Sale in El Dorado Springs, MO

More Production + Less Labor = More profits!!!

Love the independence of farming your own land but hate the long hours and low profits? Look at Robotic Dairy systems. The advantages are lower hours, healthier cows, more production, and better profits.

The cows pick when they want to be milked and how many times per day- without you even being in the barn!

See how each cow is doing at a glance with automated computer systems. See the health problems before they get worse. Cull the poor producers more efficiently. Keep
